## ABOUT ME

I am a full stack developer with a graphic design background. I have created stunning visuals for web and print media for over four years. I have also learned web development technologies such as HTML, CSS, JavaScript, React, Node.js, MongoDB, and more. I am looking for a creative and challenging full stack developer position.

## EXPERIENCE

**LUMINA DATAMATICS Ltd.**  
GRAPHIC DESIGNER(Executive)

AUG 2019 - FEB 2023

I worked at Lumina Datamatics Limited, a leading e-retail publication company, as a Graphic designer . I provided graphic design services such as creating LOGO, Posters, pamphlets, flyers, brochures and other printable designs using Adobe Photoshop and Illustrator. I also gathered requirements from clients for various Graphic design projects and delivered them on time and with quality.
